FOUNDATION MISSION

The First Alliance Credit Union Foundation's mission is to make financial success achievable for all. We believe the key to financial success starts with alleviating financial stress, especially for those communities that have been historically underserved. To that end, we support organizations that seek to relieve the financial stress of those in need but also use innovative, inclusive programs and proven methods to empower individuals by providing them with the financial tools they need to succeed.

We have proudly supported Bear Creek Services, The Boys and Girls Club, The Jeremiah Program, The Women's Shelter of Rochester, Meals on Wheels, and Channel One.
